

# Welcome to The Nile Hotel *Southport*

The Nile Hotel can be found in the heart of the town centre on King Street which runs parallel to the main attraction of Lord Street. A minute's walk from the many shops and restaurants, this new designer hotel brings a continental flavour to the seaside town. Entering through the grand doors, the unique and modern interior is immediately apparent. All 16 comfortable en-suite bedrooms and suites have been individually designed and decorated with an national theme with modern conveniences including satellite television. The rooms are spacious and some are particularly suited to families.
